

# HaloPocket – Halotherapy anytime, anywhere

The revolutionary HaloPocket™ is the smallest commercial-grade Halogenerator ever launched. New Halogenerator Miniaturization Technologies (HMT)™ were developed in both engineering and manufacturing to minimize the size while still maintaining the efficacy of the Halotherapy treatment.

## What is the HaloPocket?

The HaloPocket is a breakthrough in the world of salt therapy- the world's smallest true halogenerator. Developed by the world's leading halogenerator manufacturer, it delivers all the effectiveness of a full size halogenerator, whilst able to fit in a pocket or bag.

## Who is the HaloPocket for?

The HaloPocket enables new and existing Clients to achieve the benefits of halotherapy when they are unable to make it to your salt room. With respiratory health and hygiene being even more important now, especially with new viruses such as Covid-19, there will be many new Clients within your community that will be interested in the benefits of halotherapy.

If you are an established salt business you may have clients who don't come as regularly or have chosen to limit their return for halotherapy sessions for a variety of reasons such as they:

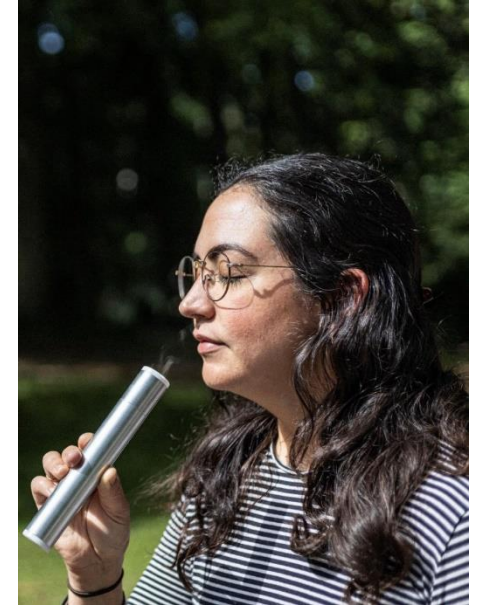

- A) Don't feel comfortable going to a public salt facility
- B) Are unable to physically get to your salt room
- C) Travel a lot or just can't find the time to commit to regular sessions
- D) Live too far away or the journey is too much on a regular basis

## How does the HaloPocket work?

The HaloPocket is designed to be easy to use, every day. Press a single button on the stainless steel body, breathe slowly and deeply, and relax. The entire experience takes less than 5 minutes and requires no clean-up.

## Features:

- Fast - only takes 3-5 minutes per session
- Convenient - use anywhere, any time
- Supplied with 150gm pharmaceutical grade salt (enough for 300 sessions)
- Rechargeable lithium ion battery, charge via USB lasting 1 week per recharge
- Produces salt particles 0.3-0.5 microns in diameter for maximum penetration
- Full 2-year parts and labor warranty (conditions apply)
